KNOWHEN®  
... THE TIME IS RIGHT

**KNOWHEN® Advanced Saliva Ovulation Test Kit with Fertility Monitor App**  
The most accurate ovulation test on the market — the **ONLY U.S. Clinically Tested**  
and FDA cleared saliva ovulation test with **98.9% accuracy**.

Show women **exactly when they're ovulating**.

**Improve Pregnancy Outcomes and Reduce Costs for Women.**

## KNOWHEN Unlocks the Secret to Get Pregnant

Knowing her time of ovulation is the most effective way to increase the chance of conception. The KNOWHEN® Advanced Saliva Ovulation Test Kit shows women her **five (5) most fertile days** of ovulation in minutes so she can get pregnant faster, avoid pregnancy, or monitor her regular cycles. Use the convenient KNOWHEN® Fertility Monitor App to track cycle results. Use for conception and natural family planning.

- Plan a couples pregnancy on the first try
- **Boost your fertility success rates, increase number of babies born and parents who get pregnant.**
- Help women and couples achieve family planning goals more quickly and naturally with no chemicals.
- OB/GYNs and fertility specialists can **increase fertility success rates**, and **reduce IVF/fertility treatment cycles to get pregnant.**
- Primary care physicians, OB/GYNs and fertility specialists can help women better understand their fertility by taking a **daily saliva ovulation test at home** to collect critical information to manage reproductive health.
- If a woman cannot conceive due to a medical issue, it is important to understand this early on so her doctor can discuss possible treatments before it's too late.

## Rated Best Ovulation Predictor Kit for the Past 3 Years

- **Proven saliva-based ovulation technology** makes KNOWHEN®, unlike any other ovulation test
- Amazing **98.9% accuracy** backed by **U.S. clinical studies**
- **OB/GYN recommended**
- **The most accurate ovulation test on the market**
- **No messy urine strips**
- All natural. **Chemical-free**. Not affected by medications/fertility drugs
